

WHERE YOUR LIFE TAKES PLACE

An urban community in the heart of the Olympic district

 LES
LOGES

**THE EMBODIMENT OF A TRULY
MONTREAL-INSPIRED AND
ACCESSIBLE PROJECT.**

308 units divided into 3 Phases

Located in the heart of the Olympic District, Les Loges is an innovative real estate project that features contemporary architecture and living spaces designed for comfort and modernity. With its 308 units spread over three phases, the project offers a variety of configurations suited to all lifestyles, from functional studios to spacious one- and two-bedroom units.

2 minutes away from the Assomption metro station, Les Loges combines urban dynamism and serenity. Each unit is designed with high-end materials and careful attention to detail.

Discover bold, thoughtful architecture where every square foot serves a purpose and contributes to your lifestyle.

Studios, 1 bed. & 2 beds

20 000 sq ft common areas

Designed to offer a perfect balance between relaxation and productivity, the common areas of Les Loges project totalize 20,000 sq ft.

From the rooftop pool to the coworking space, discover areas that encourage interaction, collaborative work, and moments of relaxation. Each space has been carefully designed to meet the needs of its community, with particular attention to aesthetics and comfort, becoming a true extension of home.

Urban Chalet

A true haven of peace, the project's urban chalet invites you to relax in a warm and refined energy. Located on the 11th floor, enjoy a bright space with natural materials, where every detail has been designed to recreate the atmosphere of a mountain refuge, while being in the heart of Montreal.

Terraces

3 tiered terraces

The three terraces offer spectacular views of the Olympic District. Ideal for evenings with friends or moments of relaxation, each terrace is furnished with planted areas, seating spaces, and a design that promotes privacy while celebrating the great outdoors.

Gym

Spread over two floors, Les Loges gym is not just a gym, but an inspiring space dedicated to well-being. It offers a bright, calm, and modern environment, equipped with high-end equipment for strength training as well as gentle practices like yoga and stretching. It's a space designed to encourage a balanced lifestyle, where physical and mental health come together.

Coworking space

Designed for its community, The coworking space of Les Loges combines functionality and design.

Whether you're an entrepreneur, a creative, or a remote professional, you'll find everything you need here: ergonomic workstations, fast internet, and a private collaborative space where your ideas can flourish in peace.

Rooftop Walks

As you exit the urban chalet, the rooftop walkways around the pool offer panoramic views of Montreal.

Make this your next fireworks viewing spot!

Pitou-Minou Grooming Room

Long walk in sight?
Has your four-legged friend rolled in the mud?

No worries, Les Loges has thought of everything by installing, directly in the project's garage, a room dedicated to grooming your pet, thus avoiding dirtying your magnificent unit.

High-end kitchens

in your image

Each kitchen in Les Loges reflects functionality and sophistication. To ensure it represents you, you can choose from our selection of finishes.

Clean lines, noble materials such as quartz countertops, high-end built-in appliances and natural light combine to create harmonious spaces that adapt to your lifestyle while offering a timeless aesthetic.

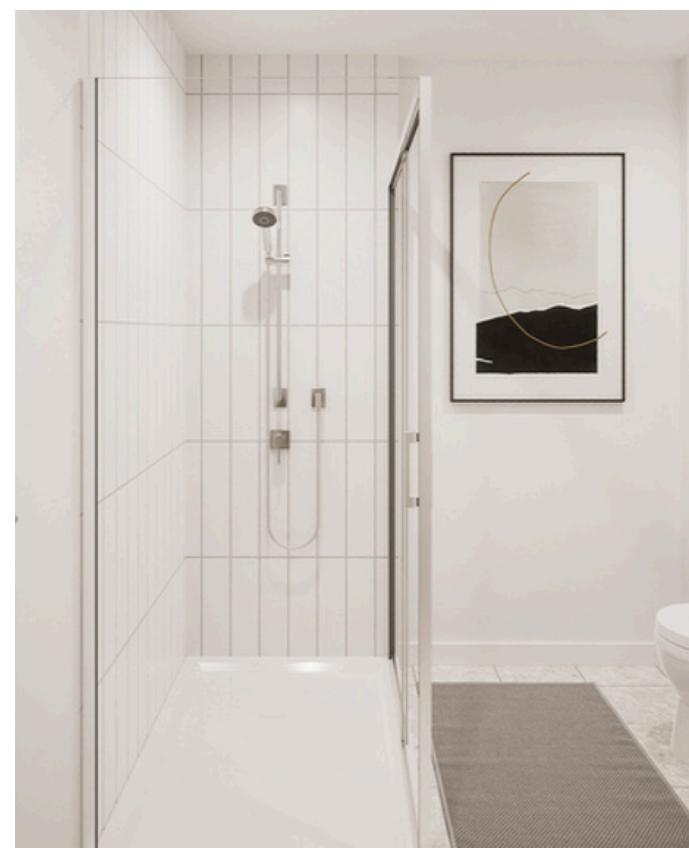

Sleek Bathrooms

Refined finishes

Just like its kitchens, you can choose from our selection of finishes. The bathrooms in Les Loges stand out with carefully selected options, combining elegance and durability.

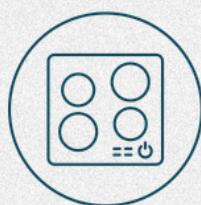

From maximized storage and high-end materials to carefully crafted details, every element contributes to an optimal living environment where nothing is left to chance.

**(When you purchase a parking.)*

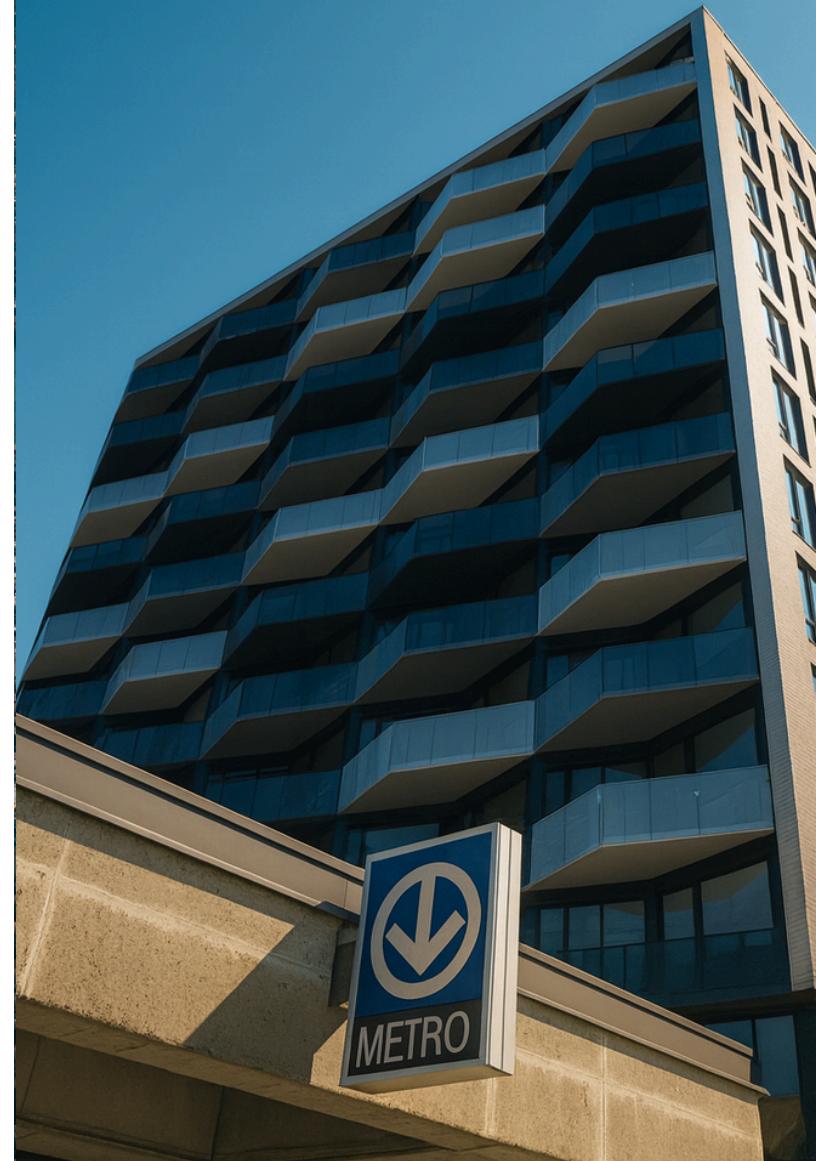

Private terrace for all units

Maximize your living¹ space

At Les Loges, each unit was designed as a natural extension of the desired daily routine: hassle-free, bright, and optimized. The spaces are designed to breathe.

The plans optimize every square foot without compromising on comfort, design, or functionality. The absence of compressors on the terraces frees up space and calm, while natural light generously floods each room. You can work, entertain, or simply slow down: the layout adapts to you, not the other way around.

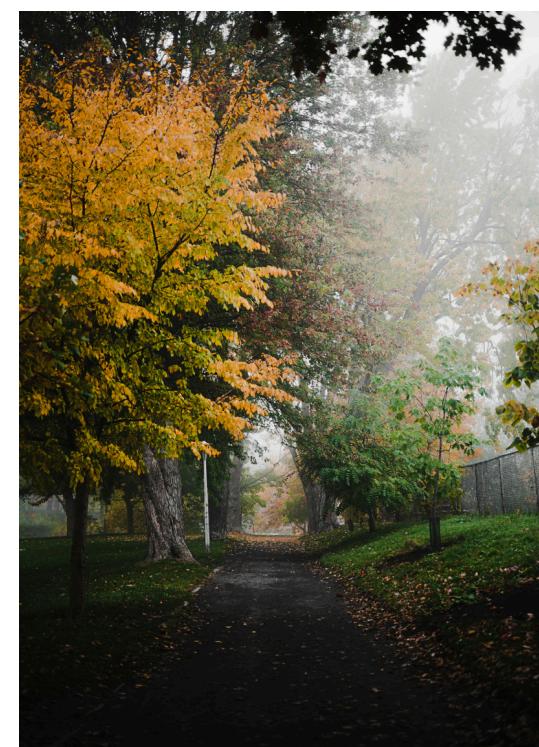

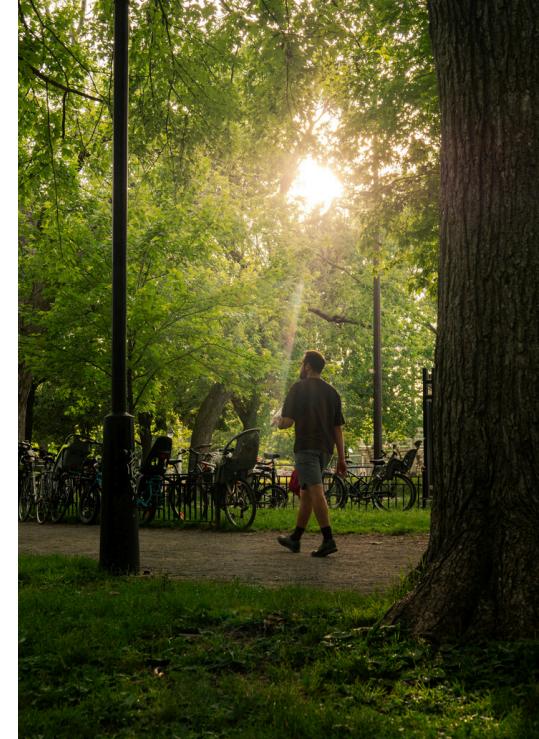

Your neighborhood

A neighborhood that breathes, that lives.

Les Loges rises in the heart of the Olympic District, where Montréal blends urban energy with green breathing space. Here, everything is just steps away: a coffee before the metro, a workout at Parc Maisonneuve, an evening at the Planetarium, or simply a stroll under the trees discovering the local shops.

It's a neighborhood designed for those who move, who work, who enjoy coming home without cutting themselves off from the world. An address connected to the city, yet rooted in a place where life unfolds naturally, effortlessly.

With us, your deposits are protected, and the construction quality is guaranteed!

The Qualité Condo guarantee: The #1 criterion for savvy buyers

With the Qualité Condo guarantee, you can rest assured that you are dealing with a reliable, responsible, and conscientious builder. Beyond meeting the requirements of mortgage lenders and insurers, the guarantee offers you:

- Full protection of all deposits paid
- Three-year coverage against latent defects affecting your private portion and the common portions
- Five-year coverage against construction defects affecting your private portion and the common portions
- On-site inspections and monitoring at every key stage of construction
- A certificate of completion of work.
- Coverage for incomplete work and apparent defects affecting your private portion
- Free after-sales support in the event of a claim
- Completion or correction of unfinished or deficient work in the event of contractor default
- A transferable guarantee upon resale for the balance of the remaining coverage period.

ACQ Résidentiel is an expertise that consumers know and trust:

- + 30 years of experience
- + 6,000 registered projects
- + 28,000 site inspections
- + 100% of covered projects are inspected

ARCHITECTURE

Les Loges project was designed and conceived by ACDF Architecture. A blend of North American rigor and pragmatism with European flair and sensitivity, all in the service of your well-being

Experience Les Loges

A word from the president

“Les Loges is more than just a real estate project: it is a lifestyle designed to meet the needs of an urban, active, and wellness-conscious community. Nestled in the heart of the Olympic District, this project combines modernity, comfort, and accessibility in an environment created to simplify your daily life. Here, every detail has been carefully considered to offer the perfect balance between private spaces and gathering places, between dynamism and tranquility. From bright units with refined finishes, to thoughtfully designed common areas, to a vibrant neighborhood where everything is within easy reach, Les Loges brings together all the elements to create an inspiring and functional living environment.

Come and discover for yourself what it means to live differently, and let yourself be surprised by Les Loges experience.”
